

香格里拉藏區行

*Exploring the High Plateau of
Tibetan Yunnan*

Date: Dec 29, 2023 to Jan 11, 2024 (14 Days)

Exploring the Tibetan area in the highlands of Shangri-La in Zhongdian, visiting the villages of the Lisu ethnic group, and hiking the snow-capped sacred mountain. Documenting the black-necked crane in Lijiang Napa Lake, visiting the Hani ethnic group's yak and Tibetan mastiff farms. Together we appreciate the rhythm of the plateau and the vibrant colors of Thangkas in the midst of severe wind and snow.
